

# The Turning Point

## Bucks Project

Explore the potential provision of preventative group work for adolescents with issues around domestic abuse within the family or within a dating relationship

Funded by Bucks County Council

# The Turning Point - Scoping

- Scale of the problem
- Identify sources of partnership working
- Identify existing preventative resources
- Implementation timetable and costings
- Identify effective referral routes
- Propose effective model of delivery & highlight best practice
- Provision of training seminar
- Look at onward funding for a pilot group
